Age: 41

To Whom it May Concern,

My name is Adam Efrat and I am a graduated emergency medical responder currently looking to further my newly chosen career as a health care practitioner by finding suitable employment as a medical attendant/driver in the remote oil field and mining industry. Additionally I am also a fully licensed and experienced security guard (BST training) so any position either involving security services or first aid or perhaps a mix of both duties would suit me fine.

I possess a wide variety of skills ascertained from various industries worldwide, namely i) Oil and Gas industry (Alberta,) ii) Retail and Tourism industry (Australia, Egypt,Mexico), and of course iii) Medical and Security industries here in B.C and I hope to bring these varying skills and years of experience to your organisation. I do hope to become a valuable and trusted employee , and I endeavour to act in the most professional manner possible representing my company, myself, and my fellow practitioners with pride and dignity . I hold myself accountable and my work ethic to very high standards and am an extremely loyal , attentive, and sincere individual.

Currently

I am based in Vancouver working 60-70 hours per week in a variety of roles, one of my occupation is acting as industrial medic in a large food processing plant where I am the designated OFA employee to handle 20-45 personnel at any given time.

I am also working in a motorcycle shop where my duties include customer interface, logistical control of the warehouse, deliveries and frequent trips to the USA to organise the importation of motorcycles.

And lastly as a licensed security guard/medic for private events, music festivals, fashion shows and the occasional concert/beer garden.

Last 2 relevant occupations

Remote Camp Maintenance Supervisor Alberta/B.C Canada for *Outland Catering*_ Working on a variety of large, medium and small fire base camps and coal exploration camps, in charge of general camp operations and daily inspections, general maintenance, kitchen duties, staff logistics and customer liaison

Remote Camp Manager/Area Supervisor Alberta/B.C Canada for *Redrock catering services*_ Working on service rigs my job description was the most varied on camp as a manager I led by example as I was responsible for everything from customer liaison, implementing safety protocols ,staff transport/logistics to housekeeping and general maintenance.

Ideal work placement

I am looking for a remote placement on a camp anywhere in Canada, I do not necessarily need to return to Vancouver and given this freedom I am open to all job locations and opportunities. I am not a stranger to hard manual work but I do possess the mental acuity for a position that requires more responsibility and organizational/administrative skills. I am a very hard working individual and possess a solid ethical & moral base , furthermore I am extremely goal orientated and above all dependable. As such I thrive in remote situations and have no problems working completely unsupervised for long periods of time.
